FALL 2017 ImPACT BASELINE TESTING

AUSTIN HIGH SCHOOL.

The following dates are set for the upcoming baseline testing for all Austin High School athletes participating in fall sports. Please understand if you are an athlete and have not had the ImPACT baseline testing before, it is strongly encouraged to participate. Below is a list of the times and athletes we will be testing. ImPACT tests will be administered in the career center computer lab. We will be testing only athletes at the high school level grades 9th through 12th; we will not be testing 7th or 8th graders. Make sure all athletes know their user name and password. We will be offering another testing period for those athletes participating in winter sports during the month of November. Times will be announced at the end of the fall athletic season.

Monday August 7th (Incoming 9th graders)

9:00am - 10:00am   Boys Soccer
